

**An Onyx Production
Directed by Gene Peterson**

360 ALLSTARS is a phenomenal theatrical performance exploring all forms of rotation. Boasting a stellar cast, including world champion athletes, world class dancers and world renowned musicians, the production connects the street with the elite to deliver a radical urban circus!

A performance like no other, 360 ALLSTARS reinvents the traditional circus by presenting contemporary performance styles instead of conventional circus art forms. Replace acrobats with break dancers, substitute a basketball freestyler in place of a juggler, swap the unicyclist for a BMX flatlander, and let a Roue Cyr artist put new meaning to the term “ring master” and you get an exhilarating circus performance like nothing you have seen before! And with live music from master musicians, Gene Peterson and Sam Perry, 360 ALLSTARS is as aurally exciting as it is visually astounding.

Featuring artists from UK, Europe, North America, South America, Australia & NZ, the performance is a spectacular, colourful and audibly exciting expression of a generation that has reinvented public performance.

Fusing amazing physical skills with the extraordinary artistry that emerges from urban culture, 360 ALLSTARS is a revolutionary production that will leave you dizzy with excitement!

TOUR DETAILS:

'360 ALLSTARS' is the latest work from renowned Australian production house Onyx Productions. The show which has just delivered over 450 performances and workshops around Australia and Europe this year, is set to tour Asia, USA and Europe again in 2014. Additionally, a four month return tour to Australia and a four month return tour to Europe is already scheduled for 2015.

The production which features a host of world champions and international special guest artists, aims to deconstruct a traditional circus by replacing traditional art forms with contemporary performance styles. Instead of acrobats there are break dancers, instead of a juggler there is a basketball freestyler, instead of a unicyclist there is a BMX rider, instead of a hoop act there is a roué cyr artist, and so on!

The reason the show is entitled 360 ALLSTARS is due to the fact that all these art forms incorporate rotation (hence 360) and the fact that all cast members are quite literally the best in the world in their individual art forms (hence ALLSTARS).

Throughout the performance audiences will be blown away by the extreme talents of these world class artists, as well as marveling at the extraordinary relationships formed between the unique art forms, resulting in a one of a kind, urban circus! Combine the on stage spectacles with live music and a stunning AV projection, and the result is a mind-blowing feast for the senses, not to be missed.
