The photos on the gallery tab can be downloaded without a password. The material on the downloads tab requires a password of "goggles".

Minimum Stage Requirements

20' wide by 18' deep

Crew Requirements

For load 2 stagehands familiar with the venue will be adequate for the production. For the show, two persons may be required to run the sound and light boards. If boards are located in the same position, it is possible to eliminate one board operator.

Backdrop

Doktor Kaboom! travels with a backdrop that is 24' wide by 16' high. Ideally this will be hung 18' upstage of the proscenium and masked appropriately. The backdrop requires 24' of bottom pipe.

Prop Requirements

- Prop table stage left
- Two non padded bar stools
- 1 edison power drop run to SR
- 1 gallon of hydrogen peroxide swimming pool oxidizer (Baquacil, and Aqua Silk are common brands that should be easily found at swimming pool supply store)
- Artist travels with his own projector, but can make use of a house projector as long as it has Vga or hdmi to the stage. No audio feed necessary.
- Please supply a projection screen - 8'x10' roughly, preferably ground supported. If ground supported, please stand SR. If hung, please locate CS, just DS of midline.

If Doktor Kaboom is flying in, some items will be shipped direct to venue.
