The photos on the gallery tab can be downloaded without a password.

Minimum Stage Requirements

20' wide by 18' deep

Crew Requirements

For load in one stagehand familiar with the venue will be minimally adequate for the production.

To run the show two persons may be required to run the sound and light boards. If both boards are located in the same position it may be possible to eliminate one operator.

Backdrop

"*Doktor Kaboom It's Just Rocket Science*" has no backdrop. Mid-stage curtain, or scrim will be fine.

Prop Requirements

Artist travels with his own projector but can make use of a house projector as long as it has VGA or HDMI to the stage. If using artist's projector, he will need 1/8" jack from audio console to projector.

Please supply the following:

- A projection screen - 10x14' or smaller, can be hung or ground supported. If hung, please locate CS, just DS of midline. If ground supported, please stand USR.
- One (1) gallon of hydrogen peroxide swimming pool oxidizer (Baquacil, and Aqua Silk are common brands that should be easily found at swimming pool supply store)

** Please note: If props break or if travel prohibits being able to bring an item, presenter may be asked to make a run for supplies.*

If flying in,

Doktor Kaboom may ship 1 or 2 empty carbon dioxide fire extinguishers to the venue, ahead of performance date. Please fill these at a local fire equipment supply company. (\$10-\$15 per extinguisher)

** Please confirm shipping address and contact name and number:

Name: _____

Phone Number: _____

Address: _____

If Doktor Kaboom is bringing the fire extinguishers with him, please provide him the name, address, phone number and business hours of the closest fire equipment supply company where he can have his refilled. If venue is supplying fire extinguishers, they must be Carbon Dioxide extinguishers- please send picture for confirmation. 5lb extinguishers are ideal

Lighting Requirements

Lighting should be focused prior to artist arrival
General wash on stage area
House lights dimmable for audience participation sections

Sound Requirements

One (1) Lavalier or over-the-ear microphone
David will supply an iPod to be run through the board. It is used for pre- and post-show music only. There are no internal sound cues during the performance.

Audience Access

Doktor Kaboom! is a highly interactive show. Audience volunteers should have safe, easy access from the house to the stage.

Catering

Please can David have a have a hot meal, including soup or salad, no bread or pasta, and access to drinking water (either bottles or a water cooler)?

Accommodations

Purchaser is to provide lodging; it shall be at a 3-star hotel or better in the vicinity of the venue (walking distance preferred), away from highway noise. Preferred hotels are Crowne Plaza, Radisson, Fairfield and Holiday Inn. A total of one (1) room is needed and must be a quiet, non-smoking room, away from elevators, ice and vending machines, and pools.
